A Message from Pastor Keith & Debbie Day

Thank you for joining us at Chapel Creek Fellowship.

In the 2nd Chapter of Acts in the New Testament, we see a picture of the first Church and the believers of that time. They ate together, studied the word together, prayed with each other, helped each other ... basically they were **Doing Life Together!**

Everyone needs somewhere and someone to connect with and at Chapel Creek Fellowship, we strive to provide the opportunity to experience what it is to do life together.

Regardless of your religious background, we have an atmosphere that makes you feel like you're home. Whether you are just checking out this "church thing" or you are a committed Christ-follower, you are welcome here at Chapel Creek!

SEVEN Kids Ministry

service time begins at

10:30 am

Check-In is open from

SEVEN Kids Ministry In seven days God created the heavens, the earth and everything within it, but His most prized creation was us. In our SEVEN children's ministry we want to create a fun and welcoming environment for your child to learn the basic foundations of faith; that God created them, loves them, and wants a relationship with them.

In order for these foundations to stick, the message needs to be reinforced, that is why we offer **Parent Cue** take home materials to dive a little deeper as a family. Pick up a copy of the Parent Cue at the 411.

For Dads!

"Fathers, do not provoke your children to anger by the way you treat them. Rather, bring them up with the discipline and instruction that comes from the Lord." Ephesians 6:4 NLT

When it comes to raising kids, no one is fully prepared to be a dad. No one has all the answers for being a successful parent. In fact being a great Dad can be a little intimidating.

Thankfully, the Bible has quite a bit to say to us about being a father. The passage from Ephesians tells us to take responsibility because your kids are following your example. They watch the way you treat God, they have a front row seat to watch how you treat your wife, and they are learning how to treat others.

The scripture tells us that the instruction and discipline we give our children is more than instinct, or the example we watched when we were growing up. The place we should turn for help as Godly Fathers is the example we have in the Lord. He is **humble, kind, forgiving, loving,** and **fun**. If we teach our kids the things God has taught us we can't go wrong.

Step up dad, **you are an MVP** when it comes to raising your kids and you don't have to be overwhelmed because... Gods got your back!
